***Vitamin C contributes to normal collagen formation for the normal function of skin. Biotin contributes to the maintenance of normal hair and skin. Zinc contributes to the maintenance of normal hair, nails and skin

The background of the entire page is a close-up, high-contrast photograph of water ripples. The light reflects off the crests of the waves, creating a shimmering, textured effect. The ripples are concentric and spread across the frame, giving a sense of movement and freshness.

Welcome to progress.
Welcome to beauty from the inside out.
Welcome to you.

Collagen Elixir™, born from the icy seas and the desire for lifelong wellness, is a daily drink that boosts collagen production and supports healthy hair, skin and nails*.

When sharing before and after photos, please be mindful that we should focus on the features of the product and not be referring any to physiological functions of the skin. For example, highlighting the 5 grams of marine collagen per serving would be okay, but it wouldn't be acceptable to comment on the structure of the skin e.g. cell renewal, elasticity, regeneration.

Remember, these photos are not “before and afters.” We are all in progress every day. Collagen Elixir just helps you glow as you travel through your journey.

Are you ready to discover your glow?
