Isagenix does not guarantee any level of income for any Associate. The earning potential with Isagenix depends on many factors, including an individual Associate's business, social, and sales skills; hard work; availability of time and financial resources; and access to a large network of contacts, as well as market forces beyond the Associate's and/or Isagenix's control. In 2023, the average earnings of all U.S. Isagenix Associates, active and inactive, was US\$787 before expenses. For more information, visit IsagenixEarnings.com
